# VDP10

## Wi-Fi Video Intercom System

- Wireless 10" Full touch screen  
1280x800 resolution
- Supports Smart Door Lock  
Unlocking
- Supports upto 128GB  
microSD card
- Supports 5GHz & 2.4Ghz  
Wi-Fi Networks

- Built-in Wi-Fi
- Waterproof Doorbell
- Mobile App
- 10" IPS Touch Screen
- Wide Angle Camera
- 5000mAh
- Micro USB Charging Port
- Motion Sensor

## Technical Specifications

### INDOOR UNIT

- Display : 10.1" IPS HD Touch
- Material : ABS
- Memory : <256GB MicroSD
- Wi-Fi : 2.4Ghz
- Resolutions : 1024 x 800
- Dimensions : 245x170x20mm
- Unlocking : NC/NO Ports

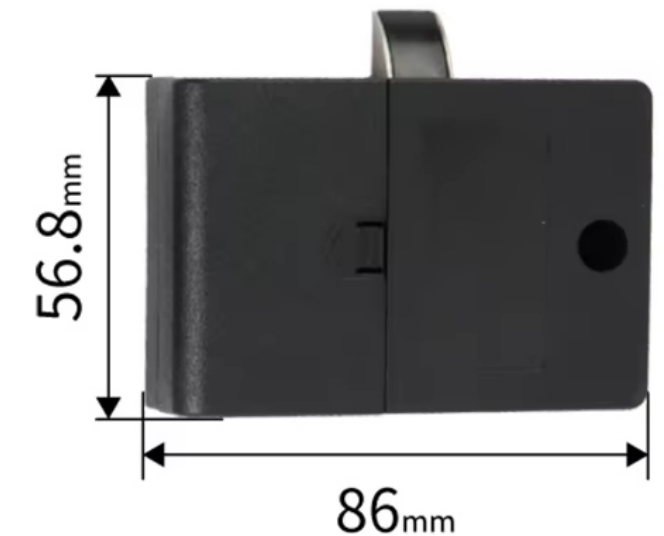

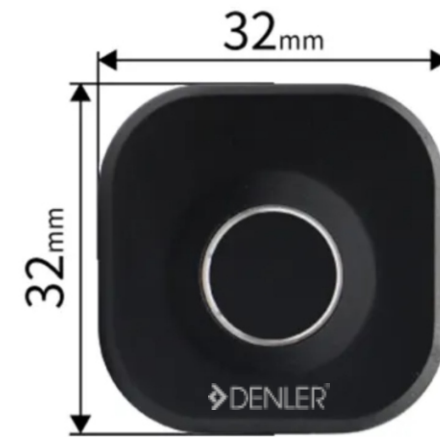

### OUTDOOR UNIT

- Camera : 2MP 1080P HD
- IP Rating : IP65 Waterproof
- Material : Metal Alloy
- Coverage : 140° IR Night Vision
- Dimensions.: 160x60x34mm
- Unlocking : NC/NO Ports
- Mount : Angle Bracket

## Supported Configuration
